

**POSTER PRESENTATION SCHEDULE**  
**International Conference on Advances in Medical and Industrial Biotechnology (ICAMIB-2019)**  
20<sup>th</sup> March 2019, Wednesday  
Venue: IRC – Ground Floor - Poster Session (03.30 PM- 05.30 PM)

---

<b>PP01</b>	HarishchanderAnandaram	HarishchanderAnandaram Daniel Alex Anand*	Computational Analysis of mirna based Transcriptional and Translational Repression in Psoriasis by Top down approach
<b>PP03</b>	S.Meghna	S.Meghna and Lalitha Vaidyanathan	Serum Levels of Neutrophil Gelatinase-Associated Lipocalin (NGAL) as Predictor of Acute Kidney Injury in Sickle Cell Subjects
<b>PP05</b>	J. Kamala	J. Kamala, Rakshini , A. Banupriya	Degradation of plastics
<b>PP06</b>	Ranjan P. Kuvad	Ranjan P. Kuvad, Vrinda S. Thaker	Sequence evolution of the photosystem II gene (psba) of Coccomyxa sp. SUA001: Evidence of positive Darwinian selection
<b>PP07</b>	R.Sumitha	R.Sumitha	Cytotoxicity testing of star fish stellatar equestris extracts on Pa1 cell line
<b>PP08</b>	SaiPriya Kurapati	Saipriya Kurapati, Ajinkya Akotkar, Aniket Kank, Neha Agrawal, Dr. Nayana Patil	Isolation, characterization and identification of extremophiles from marine ecosystem
<b>PP09</b>	Padmini V Sekar.	Ms. Padmini V Sekar, Ms. Sumitha R,	Extraction, Toxicity and Antimicrobial Assessment of Secondary Metabolite from Microbial Co-Culture Extracts of Soil Samples from Cardamom Plantation, Western Ghats of India

---

**POSTER PRESENTATION SCHEDULE**  
**International Conference on Advances in Medical and Industrial Biotechnology (ICAMIB-2019)**  
 20<sup>th</sup> March 2019, Wednesday  
 Venue: IRC – Ground Floor - Poster Session (03.30 PM- 05.30 PM)

<b>PP10</b>	Sowmiya Gandhi	Sowmiya Gandhi, Dr. M. Chamundeeswari	A novel synthesis of carbon Quantum dots from diya soot for biomedical applications - An organic approach
<b>PP17</b>	Anil H S	Anil HS , Saroja Narsing Rao, Srividya D	An in silico structural, functional and phylogenetic analysis with three dimensional protein modelling of N-hydroxylating monooxygenase enzyme of Shewanella putrefaciens.
<b>PP18</b>	Srividya D	Srividya D, Anil H Shyam Mohan, Saroja Narsing Rao	Comparative expression of Cre recombinase in E. Coli: Relevance to purification and activity
<b>PP19</b>	M.S.Roobini	M.S.Roobini, Dr M.Lakshmi,	Analogical similarities between alzheimer's disease and diabetes mellitus
<b>PP21</b>	Dr. SUDHAKARA RAO. J	Dr. SUDHAKARA RAO. J 1 and SASIDHARAN PERUMAL	Green synthesis of silver nanoparticles from enicostema axillare leaf extract and anticancer activity
<b>PP23</b>	R.KAVYA	R.KAVYA	The effect of vancomycin to reduce the rate of contamination in bactec mgit 960 system for recovery of mycobacteria from sputum specimens.
<b>PP25</b>	Shaikh Massarrat Ameer	Shaikh Massarrat Ameer	Isolation of delignifying fungi from environment for biopulping

**POSTER PRESENTATION SCHEDULE**  
**International Conference on Advances in Medical and Industrial Biotechnology (ICAMIB-2019)**  
 20<sup>th</sup> March 2019, Wednesday  
 Venue: IRC – Ground Floor - Poster Session (03.30 PM- 05.30 PM)

<b>PP26</b>	Dr. Khan Farhana Mahreen N.A.	Dr. Khan Farhana Mahreen N.A.	Comparative study on effect of garden cress seeds and “mikronutrient supplementation” on mnc school children in anemia
<b>PP27</b>	Harjeet Singh	Singh, H. And Tiwari, B.N.	Isolation and Screening of endophytic microorganisms for the production of L-Asparaginase from Plants.
<b>PP28</b>	SHARMILA .D	SHARMILA .D, SANJANA . M, THIRUCHELVI.R	Statistical optimization of textile dye effluent decolorization by the red seaweed Gracilaria edulis using Plackett-Burman design and Response Surface Methodology.
<b>PP29</b>	JASMIN MONISHA	JASMIN MONISHA, ARUL GAYATHIRI, MRS.R. THIRUCHELVI	Extraction Optimization and Characterization of Pigment from Floral Bracts of Bougainvillea Spectabilis
<b>PP30</b>	azeemathul marliya	Azeemathul Marliya, Dr.D.Reena, Dr.S.Hemalatha	Effect of nicotine on in vitro maturation of buffalo oocytes
<b>PP31</b>	Ms.Sowmya	Ms.Sowmya,Pavya,Deeks ha	Insilicohomologymodellingof nativeandmutatedstructureof alpha adducin protein

**POSTER PRESENTATION SCHEDULE**  
**International Conference on Advances in Medical and Industrial Biotechnology (ICAMIB-2019)**  
20<sup>th</sup> March 2019, Wednesday  
Venue: IRC – Ground Floor - Poster Session (03.30 PM- 05.30 PM)

<b>PP32</b>	T.Arvind Prabhu	T.Arvind Prabhu, S.S.Aishwarya1, S.Ivo Romauld1, P.Brindha Devil	Biosynthesis of iron nanoparticles and its application on textile water treatment
<b>PP34</b>	Iyer Mahalaxmi	Iyer Mahalaxmi, K.S. Santhy	Mitochondrial dysfunction in ovarian cancer patients: potential target based diagnosis and therapy in tribal women – a population based study in tamil nadu
<b>PP35</b>	Venkatesh Balasubramanian	Venkatesh Balasubramanian, Geetha Bharathi, Vellingiri Balachandar	Music Therapy as a therapeutic tool in development of the social interaction skills of Autistic children
<b>PP37</b>	Abhishek Kumar Yadav	Abhishek Kumar Yadav , Zebha Mohamed Ali , Vivek pazhamalai	Phytochemical and GC-MS analysis of ethyl acetate extract of Ailanthus triphysa leaves.
<b>PP38</b>	P. Annamalai	P. Annamalai , P. Balashanmugam , A.Tamil Selvi b and P.T. Kalaichelvan	In vitro wound healing and anti microbial property of cotton fabrics coated optimized silver nanoparticles synthesized from Peltophorum pterocarpum leaf extracts
<b>PP39</b>	Kitlangki Suchiang,	Kitlangki Suchiang, Chanchal Chaterjee	Antiaging, anti-diabetic and hepatoprotective activity of Phlogoganthus tyrsiflorus Nees in female mice as a function of age

**POSTER PRESENTATION SCHEDULE**  
**International Conference on Advances in Medical and Industrial Biotechnology (ICAMIB-2019)**  
20<sup>th</sup> March 2019, Wednesday  
Venue: IRC – Ground Floor - Poster Session (03.30 PM- 05.30 PM)

---

<b>PP41</b>	Ruchi P Jain	Mohan R , Ruchi P Jain, Naveen S, Sudhakar N	Anticancer activity of Annona muricata leaf extract on cervical cancer cell line
<b>PP42</b>	Ruchi P Jain	Dr. R.P.Rajesh, Ruchi P Jain, Vignesh MS	De novo sequencing of marine conotoxin from vermivorous cone snail ( <i>Conus inscriptus</i> ) and preliminary screening of crude venom for neuro-pharmacological activities in vitro and in vivo

---
